

SOUTH SYDNEY AFA PRESENTATION NIGHT

SATURDAY NIGHT
26TH Of SEPTEMBER 2009

It's on again, our annual presentation night. This night is especially organised for all our members, their families and friends that wish to congratulate those fishos who managed to land the best fish over the last fishing calendar year. If last years presentation is anything to go off, it is quite an entertaining night with plenty of food, drinks and laughs.

The cost for the evening is being subsidized by the club and is **only \$25.00 per head**, which includes a sensational three-course meal and tea or coffee. There is a special children's meal for **\$10 per head** if you would like to bring the kids as well. Drinks may be bought at the bar on the night. The restaurant is open from **6:30pm** with dinner at **7pm** followed by the trophy presentations. From past experiences, the presentation night is a great night out, that will not cost you the earth and you are guaranteed a laugh and a chance to win some great prizes.

Our presentation this year will be held at:

The Seaview Room
Level M, Maroubra Seals Club
212 Marine Parade, Maroubra Beach

Your assistance is required as far as letting us know if you will be attending. Contact Joe Garufi as soon as possible to book your seat.
